

2021-22 TFA Balance Estimate Calculator

IMPORTANT NOTES ON CALCULATOR USAGE - *Read prior to use.*

This tool should be used for planning purposes only. It is only as accurate as the tuition amounts that you input, which are subject to change. Consult the BU Costs & Tuition page each time you use this tool.

Tuition and fees costs can be found on the [BU Wheelock Costs & Tuition](#) page. If you anticipate receiving a full AmeriCorps award, the total for the 2021-2022 award is \$6,345.

This tool is meant to help calculate the amount due for an academic year (ex. Fall 2021 - Summer 2 2022). Remember that total number of credits for the degree is 36. The number of credits required for licensure may vary. Look at your [program sheet](#) or the [licensure scope and sequence](#) to look up credit values.

To use, enter the appropriate credit amount or dollar amount in the blue fields based on the 2021-21 tuition and fees, which can be found on the [BU Wheelock Costs & Tuition](#) page. Hit **ENTER** when done. **Only blue cells can be edited.**

Please note that this is a tool to help calculate estimated tuition and fee charges per semester for planning purposes. We highly recommend that you look at your billing account each semester to review the actual semester totals.

Please contact wheaid@bu.edu if you have questions about your semester subtotals.

	Total Semester Credits	Tuition Cost per Credit	Semester Fees	Tuition & Fee Subtotal w/o Discount	Tuition & Fee Subtotal w/Discount
Fall 2021					
Spring 2022					
Summer 2022					
Subtotals					
Enter your Americorps Award amount here----->					
Fall 2021 - Summer 2 2022 Balance Due July 15, 2022					

The tool below uses a formula to project tuition charge increases based on historical trends that indicate a 3% annual increase. **It provides an estimate based on trends, not the actual amounts for 2022-23, which are not yet available.** We hope it allows you to get a sense of what to budget for, not to set a plan in stone. The actual tuition rates for 2021-22 may be different than the numbers below. Please check back in once the official 2022-23 numbers are made public (usually in April).

	Total Semester Credits	Tuition Cost per Credit	Semester Fees	Tuition & Fee Subtotal w/o Discount + 3% increase adjustment	Tuition & Fee Subtotal w/Discount + 3% increase adjustment
Fall 2022					
Spring 2023					
Summer 2023
