

## How to Identify Potential Courses

The options below are intended to help **non-matriculated** students identify possible courses for use with their Field Associate Scholarship.

I. [Courses for Practitioners](#): Review this page for a selection of faculty-recommended courses at BU Wheelock, categorized by academic program. The following information is included:

- Course Description, Number, and Title
- Semester, Day/Time
- Number of Credit Units for the Course

II. [BU Wheelock Academic Bulletin](#): Explore the extensive range of course options available in the BU Wheelock Academic Bulletin. Please cross-check the [BU Registrar's Class Schedule](#) to confirm the course availability.

**\*\*Important\*\*** When accessing the Class Schedule link:

- Filter by Term
- Choose "Wheelock College" from the School/College dropdown menu
- Select the academic program under Subject
- Enter the course number as the Catalogue Number

III. [Academic Program Directors](#): If you find courses of interest but you require more information, please contact the Academic Program Director for more specifics or to inquire about other relevant courses that they could recommend.
